

Holy Mother of Shri Ganesha

*Eternal manifestation and reflection
of Your own son, and of all
the Holy Beings You have created
to guide humanity,
we humbly pray to Thee.*

*Thank you for giving us birth
through Your Sahasrara,
allowing us to perceive
Your glorious Incarnation,
with budding and wondrous recognition.*

*May this recognition
become reality for humanity,
that all people revel in the experience
and love of their Creator.
May Your Blessings be upon those who
come to You for the first time.*
