AARTIS

verybody must remember by heart. You see, all these songs must be remembered by heart. That should be the difference – we should know everything by heart and should be just able to say it out as we say the Aarti and things. We must remember it by heart. All the songs, if you remember by heart, it looks much better. And then they become mantras. Because you are all great yogis, and yogis remembering by heart is a big thing.

**Durge Durghat Bhari Tuj Vin Samsari
Anath Nathe Ambe, Karuna Vistari.
Vari Vari Janma, Marna Tewari
Haari Padlo Ata Sankat Niwari**

O Goddess Durga, without complete oneness with You, the world is like a very treacherous path for me. O Goddess Ambe! You are the one who is the final refuge for all the seekers. So please extend your unfathomable compassion towards me. I have been undergoing cycles of life and death for ages, looking for You and worshipping You. O Great Goddess, I completely surrender to You. Please save me from this chain of life and death which is like a big problem for me today.

**Jay Devi, Jay Devi, Mahishasur Mardini
Survar Ishwar Warde Tarak Sanjivani**

Hail! The Great Goddess, who is the killer of the terrible rakshasa called as Mahishasur. Our highest respect to the Devi who manifests and sustains life by giving blessings to all living beings from the common man to the Gods.

**Tribhuvan Bhuvani Pahata Tuj Aisi Nahi

O Great Goddess. No one can match Your greatness, love, compassion and power in all the three worlds (ie, Heaven, Earth and Hell). After looking for You in all four dharmas in all four directions, my spiritual ascent is totally insignificant. Yet, you are all-pervading and get easily pleased with Your devotees who fight with their own six great enemies which are in the form of sex, anger, ego, maya (illusion), hatred, greed while ascending.

O Devi, with totally peaceful, satisfied and radiant face, please bless Your devotees by being happy with them. Please O Mother, give us the absolute knowledge, dharmic actions and Ananya bhakti to please you. Please take away all our sorrows and problems and save us from these misguided wanderings into the ocean of illusion and Your incomprehensible maya. Ambe, You are the most competent and the highest Lord for me. Who else can I turn to? Even the great Vishnu is always engrossed in deep meditation at Your Lotus Feet.

MARATHI SONGS

ow puja also people do-
just puja of mine, forgetting
that I am there. When you sing also,
you are singing praise of me and I am
sitting before you. Doesn't happen that
way. You just sing because it is music.
There should be a feeling that you
are sitting before me and singing my
praise. So, identification is still there,
that you are singing praises to Devi.

Shri Mataji comments on BHAIYAKAYATAYA

"It's a very good song, which is something about the Sahaja Yogis.

It means, the first one means that the one who has God as his own or her own, such a person, why should they have any fear at all? The one whose whole wani (thought), all that has become one with God, for such a person why should there be any fear of any kind? The one who is in this world moving about for the betterment of others, for such a person there is no more to have greater satisfaction. He may look to be a person who has no money, but he himself is the source of all the wealth. The one who is standing on top of the death, whose feet are on top of the death, are on top of all the hills, such a great personality, why should you worry, because God is your own, God belongs to you.

It is a very powerful song. It is all sung by you Sahaja Yogis. Long time back it was sung by one great poet and I think he's describing you people. Why should you have any fear? I don't have any fears so it's not about me. He's telling you, why should you have any fear, when you have God with you, God is your own, why should you have any fear? Why should you have any worries? That means, if you are surrendered, there's nothing to worry about, everything works out."

Saraswati has a Veena in Her hand and that Veena is the primordial instrument which She plays like music, and music penetrates into the heart. You don't know how it goes into you and how it works out. That is how a person who is Sahaja Yogi should permeate - like music. There are so many qualities as I told you which cannot be described in one lecture. But one of the greatest quality of Her's is that She ends up into subtler things like the Mother Earth will end up into fragrance. Music will end up into melody like that whatever She creates ends up into something greater.

HINDI SONGS

I am only sorry that people have no sense of understanding this great music that is in our country. If they listen to this music they'll have no diseases, no heart attacks, nothing. This is absolutely Divine and people should take to it in such a way that it's a blessing of God that we have such great artists in our country existing. My heart pines to see such artists not being properly recognised, appreciated and worshipped. I am sure one day will come when they will go all over the world and play this beautiful praise of Saraswati.

We must know that the only way we can keep healthy is through our music, our talas, our dancing. This is the blessing of our ancient gurus and we should not try to go to these adhogatti people of the west and spoil ourselves. On the contrary, they will appreciate it. May God bless them all, and bless you all that you are appreciating it. It's tremendous. I have no words to express the greatest joy I have felt today, with this beautiful music rendering. May God bless you.

Chorus:

The salutations were already accepted.
Therefore, my devotion towards You would become Rich and colourful.
We have got so accustomed to Your love,
That if we are freed of it we shall die!

**Thok.Re Darbadar Gam Aur Ruswaiya

Pher. Li Gar Tune Ye Meh.Re Nazar

Having stumbled at every door,
And having collected a bundle of sorrows and sufferings,
We have now arrived face to face before You.
If You turn away Your benign gaze of compassion and mercy,
Where shall we find Your Divine help?

**Sabz. Ye Anjuman Ye Hawa Jhum.Ti
Teri Belosi Me Aur Nikhar Aye Hai
Jab Tu Hi Tu Basi Hai Ye Dono Jaha
Ye Tare Bhi Saj.Do Me Jhuk Ayenge**

The beautiful greenery, swaying in the gentle breeze,
Has enriched its qualities in Your purity and grace.
When You, and only You, are all-pervading in both the worlds,
Even the stars will come down to bow to You.

**Chali Leh.Ro Pe Leh.Re Chaman Dar Chaman

Vibrations are flowing over the garden of humanity,
While the devotees have churned ambrosia out of these vibrations
And are drinking them in abandonment.
When the faith is being transformed into worship,
Then, "belos" everyone will become realized!

So it must be in beats. First of all, the tune should be such that forms a melody. That's important because any tune anywhere, going anywhere, moving anywhere – you see this type of composition takes your mind from this to that, that to that. But if it's a melody you come back again on the sound, on the same point, again on the same theme. When you come back on the same theme it's something like your attention is on the spirit.

Apne Bhakta Nu Tu Hi Savar.Ti, Ma Savar.ti (x2)

I like to sing Your aarti. You look after the well-being of Your devotees.

BITANA ARSA-E-JIST (*Urdu Song*)

Bitana Arsa-E-Jist. Tu Fizul. Din. Gin

Do not just waste the span of your life by counting the days in futility.

Pirole Bache Lamha-E-Moti

Entwine the remaining precious pearl like moments

Sahaj. Me Pal.Chhin (Chorus)

In Sahaj at every opportunity or moment.

Bitana Arsa-E-Jist. Tu Fizul. Din. Gin

Suna Hai Ki Daura-E-Zindagi Hoti Hai Bas. Char. Din (x2)

It is said that the extent of life is only four days.

Char. Din ...

Kya Pata Tujh.Ko Bulava Bekhabar

Ajaye Kis. Din

You do not know when you may be summoned, unaware on which day.

Bitese Lekar Tajur.Ba Baki Kar. Gil. Me Tad. Fin (x2)

From the past only extricate experience, and the rest you bury in the absorbing Mother Earth.

Tad. Fin ...

Har. Tanaffas. Agaze Hi Hal. Me Guj.Ri Sase Na Gin (x2)

Because every breath you breathe is heralding the present, hence why indulge in the wasteful activity of living in the past?

Ayinaye Dil Me Kashf. Le Utar. Tas.Vir. Akse Din (x2)

Having taken your realization through your pure heart, then bring out through this mirror of the heart, the reflection of God.

Akse Din ...

Ye Hakikat. Ruhani Meh.Sus. Kar. Le

Nahi Hai Tal. Kwin

This actuality is Divine experience, and not a mere sermon or instruction.

Ul.Jha Hua Tu Uljhano Me Hoga Mus.Tar Aur. Gam.Gin (x2)

You are completely engulfed by the various complex problem of life which always make you depressed and grief stricken.

Gam. Gin ...

Tavv.Kul Ki Tavv.Ko Me Tanha Khare Hai

In great expectations and hope that you will join him in the worship of God, (so that you are redeemed of all your problems)

"Belos." Tujh.Bin

Belous is standing all by himself without you.

AP.NE DIL ME*(Nirmal Sangeet Sarita - 'Glow of Love')***Chorus:****Ap.Ne Dil Me Sahaj. Ko Basaya Karo (x2)**

Let the Sahaj settle in your heart

Rachaita Ki Tum. Rach.Na Rachaya Karo (x2)

Let the Creator's creation be created again in you (you should have your re-birth)

Ap.Ne Dil Me Sahaj. Ko Basaya Karo (x2)**Pah.Le Dhyan. Dharo Chit. Kabhu Karo**

First be in meditation (dhyan) then take command of your attention (Chitta).

} (x2)

Kundalini Tum Ap.Ni Jagaya Karo

Then awaken your kundalini.

Thand. Chaitanya Swayam Bahaya Karo

Then allow the cool vibration (chaitanya) to flow through you.

Muldhara Se Khili, Sahastrar Pe Khuli

Kundalini, which initiated its flow on the Mooladhara, blossomed at Sahasrara in its full glory

} (x2)

Nirmalta Se Sushumna Me Bah.Ti Chali

It started flowing with all its purity in the Sushumna

Adi Shakti Ko Aise Ubhara Karo

In this way you should glorify and enhance the grace and valour of the Adi Shakti

Shuddh. Ichha Karo, Sakshi Rup. Dharo

Only hanker for pure desire and be a witness to the happenings around you.

} (x2)

Bhavsagar Moh. Ka Aise Paar. Karo

Thus row across the bhavasagar of temptation and maya

Niranand. Ka Kshitij. Tum Badhaya Karo

And in the process let the horizon of unending joy be expanded and extended.

Aye Sant. Kai, Uljhan Bharti Gayi

Many saints took birth on this earth, but the confusion kept growing.

} (x2)

Samjha Pae Koi Na Prabhu Ya Sayi

Nobody could explain about God and the Saints.

Sacche Sayi Ko Sahaj. Me Paya Karo

In Sahaj one can find real Saints.

Nirmal tum bolo Sahaji, Nirmal tum bolo...**Mataji, Mataji, Mataji bolo...****RAPANI BAN (A TUJH.KO DIKHAU)***(Sanjay Talwar - 'Perna')***A Tujh.Ko Dikhaui Nayi Duniya Ka Nazara****Andha Parhe Lang.Ra Chale**

} (x2)

Rahat. Divana Pa Jae

Come, let me show you a scene from the new world, where the blind can see, the lame walk, and the aimless find direction.

Dekha Jallad. Ko ...

Dekha Jallad. Ko Tauhid. Me Dhalte Hue

We have seen the cruel, merging with the oneness of God.

Dekha Bazaru Tabiyat. Ruhani Bante Hue

We have seen debased temperaments, become Divine.

Dekha Bah.Ki Khudi Ko Bandagi Me Jhuk.Te Hue (x2)

We have seen the aimless ego, become devotional.

Dekha Tute Dilo Ko Pyar. Me Khilte Hue (x2)

We have seen broken hearts, blossoming in love.

Kar. Dur. Bharam. Ap.Na Hai Ye Vakt. Kayama

Arise from your illusions, this is the Day of Judgement.

Do Zakh.Me Tu Aa Jaega Gar. Abhi Na Jana

Hell awaits those, who still do not understand.

Rapani Ban, Rapani Ban, Rapani Ban,

Become Saintly

Roohani Ban

Become spiritual

Roohani Ban, Roohani Ban, Roohani Ban,

Rapani Ban

Jaise Phul. Kamal. Me Badalta Hai

Just as any flower can become a lotus, the sun reflects moonlight.

Suraj. Chand Ni Ugalta Hai

To us, even the moon appears unblemished.

Nishkalank. Chand. Ko Dekha Hai

Such is the sight of paradise, we have seen.

Ye Vo Jannat. Ka Nazara Hai

Come, let me show you a scene from the new world.

Ankho Se Ham.Ne Dekha Hai

Dekha Akash. Me Tas.Vir. Ko Saj.Te Hue

We have seen the Divine image, reflecting in the sky.

Dekha Char.No Me Dev.Tao Ko Jhuk.Te Hue

We have seen the Devas, in obeisance to the Divine feet.

Dekha Mata Ko Devi Rup. Me Saj.Te Hue (x2)

We have seen Mother, adorned as the Devi,

Pak.Khaish. Me Chaitanya Ko Bah.Te Hue (x2)

And pure desire, flow as Divine Vibrations.

Ab. Der. Na Kar. Hasile Maksad Ko Pahi Le

Without further delay, achieve the goal that is now within your reach.

Yahi Vakt.Ta Tayaggar Hai Ise Aj. Kho Na De

This is the time for change, do not waste it.

Murakh. To Satya Se Bhagega

The stupid will always turn away

Niranand. Se Mukh. To Morega

From truth and blissful joy.

Andho Ko Diya Dikhane Me

It can take a lifetime

Ik. Umr. Lagegi Ye Roshan

Roshan, to show the light

Bhat.Ko Ko Rah. Pe Lane Me

Of spirituality to fools.

HASILE MAKSAD.*(Nirmal Sangeet Sarita - 'Sajda - Devotion')*

**Hasile Maksad. Hai Gul Ka
But. Hi Ki Kadambosi Ke Bad** } (x2)

The ultimate object of existence of the flower, nature's most beautiful fragrant gift to mankind, is achieved after it is offered as a floral tribute on the lotus feet of the Divine.

Daura-E-Manzil Me Jate (Chorus)

Kuch.Le Kayi Hokar Yah Bar.Bad

However, during this journey to its ultimate destination, Many get trampled under the merciless feet of the monster, and thus get destroyed before reaching their destination.

**Hasile Maksad. Hai Gul Ka
But. Hi Ki Kadambosi Ke Bad** } (x2)

**Bekar. Hai Yah Samandar,
Pyase Ki Pyas. Bujha Nahi Sak.Ta Hai Sailab** } (x2)

This enormous and vast ocean (maya) is futile and worthless, Since like the flood, it does not have the potency to quench the thirst of the thirsty.

**Kat.Ra-E-Ab Vaha Moti Hoga
Dakhile Sadab Hone Ke Bad** } (x2)

A drop of water (ordinary soul) will turn into a pearl (worth and beauty) there, After entering into a shell (a protective cover of love and blessings).

**Patthar Khuda Kya Ho Jata Hai
Me Gerua Rang. Charh.Ne Ke Bad** } (x2)

Can a stone achieve the status of God, just because it is coated with saffron colour?

**Dil. Yah Mandir Ho Jata Hai
Belosi Me Dhone Ke Bad** } (x2)

This heart becomes a temple after it is washed with devotion.

**Fizul. Hai Zik.Re Khuda
Pabandi-E-Dairo Haram Rakh.Ne Ke Bad** } (x2)

It is a wasted and futile exercise to take the name of God, After observing the rituals practiced by the temples and mosques which are so anti-God.

**Mukhatib Us.Se Hoga Ma Ke
Pyar. Me Bandh.Ne Ke Bad** } (x2)

On the contrary, you will remain in the proximity of God if you tie yourself in the eternal and divine love of Mother.

**Hindu, Mus.Lim, Sikh. Me, "Belos", Kya Milega } (x2)
Insan. Ke Bat.Ne Ke Bad**

What will you get "Belous", when human being which is the creation of God (in his own image) is fragmented by the society into Hindu, Muslim, Sikh etc.?

**Sahaj. Ka Sona, Sona Rahega
Tuk. Re Bhi Hone Ke Bad** } (x2)

However, the gold of Sahaj will remain gold, even if it is fragmented, or broken into pieces. Similarly even though you are fragmented by the society, yet the Sahaj in you which is like gold, will not reduce and will help you to become whole from your fragmented condition.

If people could get free from their sorrows and worries,

To su nau mai Ap.na Afesana

Then I could narrate them the story I have to tell

Hairat. hai ke, Koi rind. Nahi (x2)

Surprising it is to see that not a single person drinks

(the poet is referring to the seeker in pursuit of pure joy and everlasting happiness)

Kab.se khula pada hai**Ish.rat. ka mai khana**

Even though the wine of pure joy and everlasting peace is being distributed openly at the tavern opened by Shri Mataji!

Talaph na hoto kisi dar.se kuchh. Nahi hai Milta (x2)

If one does not seek, he may try any door, Nothing will he receive.

Agar. talaph. hai To, Dono Jahan se, Sab. Kuchh. hai Milta (x2)

But if he is a seeker, from this whole world, He is bound to get everything he desires.

Chorus:**Na to Chal.ke na ghate jam me ish.rat. kabhi (x2)**

The glass of wine which symbolises my cup of fulfilment of pure joy and peace should neither spill nor recede. It should always be full up to the brim. It should not spill because of overjoy nor should it recede because of sorrow or grief.

Aise tabajjo ka talabh. gaar. hu (x2)

The poet is desirous (talabgaar) of such an attention (tawajjo). He desires you to develop such attention which would not allow you to be overjoyed or get depressed but should remain undisturbed in any eventuality

Muhabat ki ye lav na bhadake na-a bhuje (x2)

Likewise the glow of love which is kindled within you should neither go ablaze or extinguish. The poet desires that your love be so detached that it should not flicker because of day to day mundane happenings but should remain as a pleasant glow enough to give you light within

(Aise) Munnavar ta bajjo ka talabh. gaar. hu (x3)

I am desirous of such bright (munabbar) hope

Na to Chal.ke na ghate jam me ish.rat. kabhi (x2)**Na rahe dukh. ke aaso na rahe dardo gam**

(Oh Shri Mataji) let it happen that there remain neither tears of sorrow nor the pain of grief

Khushi se aise rahajani ka talabh. gaar. hu (x3)

I am desirous of such robbery at the hands of happiness and joy. (The poet desires that joy and happiness should rob away all the sorrow, grief, tears and unhappiness so that all the grief is wiped away and only joy remains.)

Ho jaye naf.rat. ko naf.rat. se hi naf.rat. (x2)

May the hatred start hating itself (The poet desires that hatred should suffer such humiliation and embarrassment that it should start hating itself)

(*This line sung at Christmas and Easter Pujas.)

*he depths that you feel in the poets,
in the great musicians becomes their
own nature. When they talk, when they walk,
any rapport with them, you can feel the depth of
their spirit....*

*How can you live in a place, in any place
without any sound? You want to have a
soundless area then why God has given you
ears? See He has given you the ears to enjoy the
music of his rhythm and that you can only feel
when you become a realised soul..*

PYAR. BHARE *(Nirmal Sangeet Sarita - 'Worship')*

Chorus:

Pyar. Bhare Ye Do Nir.mal. Nain.

Behold these beautiful pure eyes (full of benevolence and compassion, expressing Mothers love),

Jin.Se Mila Ye Amrit. Mai Chain.

which have provided us eternal security and comfort.

Koi Jane Na Is. Pyar. Ki Gah. Rayi

Nobody knows the depth of the love and compassion they emit through their radiance

In. Ankho Ki Gah. Rayi

so also nobody has been able to fathom the depth of the eyes.

Pyar. Bhare Ye Do Nir.mal. Nain.

Behold these beautiful pure eyes.

Jhil. Kahu Par. Us.Ko Bhi Hai Tal

I can see the serenity and calm of the lake in the eyes but the two are not comparable since the lake has a bottom, while the qualities in these eyes are perennial.

In.Ke Aage Saagar. Bhi Ozal

Even the deep ocean appears shallow as compared to the depth of these eyes.

Surya Prakash. Bhi Ho Jaye Ojhal

Even the dazzling sunlight appears dim and hazy compared to the radiance & glory of these eyes.

Tulna Se Bhi Upar. Uth.Gaya

These eyes are beyond similes and beyond comparison: they are Divinely 'beyond and above all'.

In. Naino Ka Sthal

therefore how can they be compared with any other creation of God?

Jaise Sarita Sagar.Me Jaye Ghul

When the flowing river goes and meets the sea it loses its identity and is identified with the sea.

Nir.mal. Mangal.Ta Me Gaye Ham Ghul

Similarly when we Sahaja Yogis are blessed by these divine eyes we are totally submerged and drenched in the purity and the auspiciousness ever flowing from these beautiful eyes and lose our individualistic identity, and become collectively aware

Bhut. Bhavishya Ki Chinta Gae Ham Bhul

We don't worry any more about the past and the future,

Sugandh. Maya Is. Chet.Na Se

This vibratory awaneness is full of fragrance as though we Sahaja Yogis have risen to full glory

Nikh.Re Hai Ye Phul

and emitting the fragrance of collective awareness through our blossoming (it is blossom time)

Aansu Jharjhar Bah. Nikale

These eyes have manifold qualities, sometimes these eyes shed tears

Anukampa Jab. Jati Gata Ban

when the cloud of compassion built within bursts and is unable to contain itself within the eyes.

Sun.Lo Inhi Nayano Se Kabhi

While at the appropriate occassion the same eyes

Nit.Kari Mithe Sache Khare Bain

transform and become benevolent and preach us to be righteous and pure beings

Jivan. Ka Sab. Sattw. Hai In. Me (x2)

These eyes have so many qualities that the poet feels

Khud. Ko Kar.Do Purn. Samarpan.

that it contains all the essence & purpose of your being, i.e. your life (there the poet says that you should bow down before these life-giving eyes with all reverence and faith).

Sab.Kuch Luta Do Pane Ko

And you should sacrifice all your worldly possessions to be able to get the priceless treasure of love

Jah.Pyar Ka An.Mol. Dhan

contained in these immaculate and pure eyes.

Jata Me Gangadhar. Hai (x2)

O Lord Shiva, the moon is shining on Your forehead. Your hair is tied as a Jata (coils) on top of Your head. A small stream of the River Ganges is flowing from this Jata. Your body is covered with incense powder and other Divine ointments.

Nava Rahe Hai Shesh.Dev.

Sar Tumhari Bhakti Me

Hai **Koti** Surya Ka Prakash

Shiv Tumhari Shakti Mein (x3)

Shesha (the Serpent God) is coiled around Your neck like a garland. In His devotion to You, Shesha is doing a joyful dance by rhythmically swaying His head from side to side. The power of Your Shakti (Shiv Shakti) is illuminating Your Being as well as the cosmos with the radiance of a thousand suns.

Chorus:

When the ocean was churned, Amruta as well as deadly poisons came out of it. Everyone desired to have the Amruta but You drank the poison for the benevolence of the whole cosmos. This gave Your throat a blue colour and You were called Neelakantha meaning the One with the blue throat. O Lord, whoever surrenders unto You is freed from all misery and is liberated from the ocean of illusion.

He Shiv.Shankar. Jaha Bhi Tera, Dam. Dam. Dam. Ru Baje

Bhed. Na Paya, Kaisi Maya, Bha-i Tujh. Ko To Nandi Ki Sawari

O Lord, whenever Your Damru (drum) resounds the sound of dam dam dam, all the Gannas assume their forms and dance with You. O Lord of Destruction (Pralayankar), no-one has been able to fathom the depth of Your Being, as everyone is in an ocean of illusion. Still You are so humble that You like to have just a bull (Nandi) as Your vehicle.

Note: for "Adi Shakti Ma" which was on p. 93, see "Sare Jag Me Teri Dhum", p. 83

You are very spontaneous, like your Mother. It all comes there, isn't it, just comes, that's it, just comes. Allow it. See, don't think too much, don't, don't try to plan too much. It will be there, you'll see that. Everything. Everything works out. Have faith in yourself. Just works out. It's all there, but it's not so clear-cut you see, because it must have a beautiful mystery. Must have a mystery. Whatever happens it must have a beautiful mystery behind it. So suddenly you find something, you see, and then you feel ah, it's a surprise, pleasant surprise. That's what it is. That's how you'll feel the Divine trying to bless you, make you happy, to give you ideas, to do things for you. It is the Divine that will work it out. And you'll be suddenly, you see, surprised with great joy. Allow it to work out. Don't think yourself. Just allow it to work out. It works out very well. All right?

NIRMAL DHAM (TERE CHARAN. KAMAL.)

(Nirmal Sangeet Sarita - 'Nirmal Dham')

Chorus:

Tere Charan.kamal. me Rehnevalo me Likh.le Mera Nam (x2)

May my name be added to the one of those who are seeking refuge at Thy Lotus Feet,

Ye Hai Sukh. Shanti Ka Dham (x2)

For this is the heavenly abode of Joy eternal and Peace,

Nirmal Dham, Nirmal Dham, re (x2)

The abode of Divinity and Purity.

Aya Tha Shraddha Suman. Charhane Dale Jholi Me

I had come to offer the flowers of pure faith at the Lotus Feet of Our Mother,

Ma Se Paunga Mai Kuchh. Dan. Bhi Dalu Jhole Me

Expecting to be rewarded for my offering,

Saumya Prakash. Chet.na Dekhi (x2)

But I found myself overwhelmed by the pleasant Chaitanya,

Jaise Bhor.ki Lali Me

Radiating like a rising sun.

Swar.pan. Kar.ke Bola Mai (x2)

Surrendering myself to Her, I humbly requested

Kuchh. Na Dalu Jholi Me

That no reward should be given,

Nir.peksh. Yahi Bhakti Kutir Hai Chaitanya Ka Aisa Dham

As I realised that worship can only exist through selfless Surrender to the Lotus Feet of Shri Mataji, the very abode of Chaitanya.

Ar.pit. Hai Tan.man. Dhan. Ap.na (x2)

I totally surrender my mind, body and wealth

Charan. Nahi Ye Swar.ga Ki Rach.na

To the Lotus Feet of Mother, as There lies my Paradise.

Vast.vik. Hai Nahi Ye Kal.pana

This is not imagination, but actualization of the Divine Truth, the ultimate reality.

Aise Dham. Ki Kare Kyu Tul.na

Why should we then compare this abode with any existing shrine?

Mandir. Masjid. Gurudware Ka Ab Nahi Koi Kam

As it is, all these temples, churches and gurudwaras have now become redundant.

Agni Kund. Hai Ahamkar. Ka (x2)

At the Lotus Feet of Mother, I have been able to burn my ego,

Jatil. Mere Hi Bhut. Kal. Ka

My past and all my negativity.

Jab. Se Bana Bhikshuk. Is. Dwar. Ka (x2)

Ever since I have become a resident of this Heaven,

Bhavishya Ujwal. Sahaj. Pyar. Ka

My future, through Sahaj Love, has become very bright and full of promises.

Yahi Hai Makha Yahi Karbala Ganga Jamuna Charo Dham

For here verily lie the Mecca, Medina, the Ganges, the Yamuna and all four Shrines.

Charanamrut. Se Pawan. Kar. Do (x2)

With the Nectar flowing from Your Lotus Feet, Oh Mother, please sanctify my life,

Nirmal.may. Ye Jivan. Kar. Do

And give it its real purpose by making it wholesome truthful and pure.

Anu Renu Me Chaitanya Bhar. Do (x2)

Fill all the animate and inanimate with Your Divine Vibrations,

Kitabo Me Nahi Gyan. Vah. De Do

And give us the Pure Divine Knowledge that cannot be found in the Holy Scriptures,

Yahi Hai Gita Ved. Yahi Hai Yahi "Bible" Kuran

For I verily read and understand epics like Geeta, the Vedas, the Bible or the Koran by a mere glance at Your Lotus Feet.

MOHABBAT KA KHAZANA

(Nirmal Sangeet Sarita - 'Mohabbat Ka Khazana')

Chorus:

Kaam. Jiska Fakat.ye Daulat. dil ki Lutana Hai

What a delightful task it is to freely distribute Love, this treasure of the heart!

Mohabbat Ka Khazana Bhi Kya Khub Khazana Hai

Such a treasure will never diminish by that, but will grow evermore.

Kud.rat. Jo Hazara Karishma Dikhati Hai

Nature in its splendour produces many miracles which manifest in many ways.

Vo Bhi To Ek. Tharha Se Insa Ko Mohabbat Batana Hai

This gesture of Nature is by itself a token of Love for human beings.

Shabnam Se Moti Bad-E-Saba Ki Taz.Gi Gulo Ki Mehek

The dew-drop which shines like a pearl, the morning breeze which carries with it

The ever-refreshing fragrance of flowers,

Kaenat. Ke Ziyafat. Ka Ye Ek. Dilchasp. Bahana Hai

This again is an interesting excuse of Nature showing its hospitality to the human beings on one pretext or the other.

Har. Pat. Me Har. Kali Me Chhipa Paegame Mohabbat. Hai

Every leaf, every bud has a hidden message of love and beckoning in its nature.

Har. Pankhuri Ke Labho Pe Ul.fat. Ka Ye Tarana Hai

Even the rustling of the petals and the leaves is like a song of love.

Kya Duniya Ne Samjha Hai, Kya Logo Ne Jana Hai

What does this world, these people believe we are?

Ham. Khak Nashino Ke Thokar Me Dekho Zamana Hai

Even though we are humble, we are not meek or cowardly. We can rise to any occasion because to us Love is an energy and not merely our emotional expression.

Har Pak. Rishte Ki Buniyad. Mohabbat Hai

The foundation of every pure and divine relation is love.

Ma Bachhe Ka Atul Bandhan Us.ka Hi Ek Namuna Hai

One such glowing example is the permanent bond of love between mother and child.

Kya Chiz Mohabbat. Hai, Duniya Na Samajh. Payi

The world is experiencing love at a mundane level only and has therefore not really understood the deeper and ultimate meaning and purpose of love.

Yu Kah.Ne Ko To Gar.dish. Me Sadiyo Se Zamana Hai

Even though it has been in a turmoil for many a years now.

Ye Labz-E-Mohabbat Ka Ad.na Sa Fasana Hai

The story of love in a nutshell is as follows:

Simte To Dile Ashik Feleh To Samana Hai

When shrunk to the barest minimal, it is symbolised in the heart of the lover, but when it expands to its full potential, it is capable of engulfing the whole universe in its fold.

Fizul. Vo Hai Dino Dharam, Jaha Mohabbat. Basti Nahi

All the religions and places of worship are useless if there is no love in them,

Jis. Dil Me Mohabbat. Hai Vahi Jo Uska Tikhana Hai

Because God only resides in such hearts where there is love.

Pat.var Mohabbat. Ki Hatho Me Rahe Har.dam

The only equipment you need to have is the oar of love,

Duniya Bhi Tapero Se Gar Sakine Ko Bajana Hai

By which alone you can navigate through the turbulent sea
of deceit and fraud that you see in the world.

Ye Ishk. Ruhani Ab Zarurat Ban Gayi Ad.Mi Ki

This divine love has now become the need of the day for all human beings,
particularly in the world of strife, hatred, suspicion and deceit,

Ik Bat Yehi To Mujh.Ko Belos Batana Hai

And as such, this is the only message Belos wants to give to the world.

Laughing Song

When the green woods laugh with the voice of joy
And the dimpling stream runs laughing by,
When the air does laugh with our merry wit,
And the green hill laughs with the noise of it.

When the meadows laugh with lively green
And the grasshopper laughs in the merry scene,
When Mary and Susan and Emily,
With their sweet round mouths sing Ha, Ha, He.

When the painted birds laugh in the shade
Where our table with cherries and nuts is spread
Come live & be merry and join with me,
To sing the sweet chorus of Ha, Ha, He.

SHIVA BHOLA BHANDARI,

(Raga Shankara)

(This is a bhajan praising the innocence of Shri Shiva, which is why he is often referred to as 'Bhola Bhandari', meaning one who is a great embodiment of innocence.)

Chorus:

Shiv. Bhola Bhandari, Sadhu Bhola Bhandari

Sai Bhola Bhandari, Shiv. Bhola Bhandari

Shiv. Bhola...., Shiv. Bhola.....

The Great Lord Shiva who is a Great Sage is the embodiment of innocence.

Bhas.masur. ne kari tapasya var. deena tripurari

Jis.ke seer. par. hath. lagave hasma howe sansari

Shiv. Bhola...., Shiv. Bhola.....

A rakshasa called Bhasmasur performed penances to please Lord Shiva. In turn he received a boon from Lord Shiva that whoever's head Bhasmasur puts his hand on, that living being will turn to ashes instantly.

Shiv. ke seer. par. hath. dharan. ke man. me dushta vichari

Bhage phirat. chahudish. shankar. laga daitya dar. bhari

Girija rup. dhar. Harihar. bole, bat. asur. se pyari....

Jo tu muj.ko nach. dikhawe, ho-u nar. tumhari

Shiv. Bhola...., Shiv. Bhola.....

On receiving the boon, the rakshasa had an ill thought of testing the boon on Lord Shiva. So Lord Shiva was running helplessly in all directions to escape from Bhasmasur. Seeing this, Lord Vishnu (Harihar) turned himself into a very enticing woman, and said to Bhasmasur that if he danced well, he could win her.

Nach. karat. ap.ne seer. par. dhar. hasma bhayu matihari

Brahmanand. dete jo hi mange, Shiv. bhaktan. Hitakari

Shiv. Bhola...., Shiv. Bhola.....

While dancing (as per Shri Vishnu's trick) Bhasmasur put his hand on top of his own head and got destroyed. Lord Shiva, who is very easy to please, who also gives Brahmanand (Joy of Brahma), fulfils all the desires of His devotees.

Shiv. Bhola Bhandari, Sai Bhola Bhandari (x2)

Shiv. Bhola Bhandari, Sadhu Bhola Bhandari (x2)

Shiv. Bhola...., Shiv. Bhola.....

BOLO SHIVA SHIVA SHAMBHU BAM BAM BAM

(*Music of Joy 2'*)

Chorus:

Bolo Shiv. Shiv. Shambhu bam bam bam (x4)
Are gao re, ye nam har.dam, ye nam har.dam
Jab.tak. hai bhayi dam me dam, bhayi dam me dam
Bolo Shiv. Shiv. Shambhu bam bam bam (x4)

Let's all take the name of Lord Shiva and remember his powers all the time.

He Pralayankar., bheem. Bhayankar.
He Prabhu Shankar. swami (x2)
He Vishveshwar. He Parameshwar.
Ishwar. Antar.yami (x2)
Ye dhun. hai...., uttam anupam, uttam anupam,
Sare jag. ke yahi peeta param, yahi peeta param

O God who brings Pralay (the total destruction of the creation), who is very powerful and also can be very terrible, O Lord Shankar, You govern us. You are the whole cosmos. You are the Greatest Lord, and one who knows everything subtle and gross within us. You are the Father of this whole world.

Shiv. akam. hai, Dayadham. hai,
Shiv.kanam. hai Saiyam (x2)
Shiv.ji hai Mukti, Shiv.ji hai Shakti
Shiv.ji hai Bhakti ka Sangam (x2)
Shiv.mahima mat. sam.jo kam, mat. sam.jo kam,
Mit. jayenge duniya ke gam, duniya ke gam

Lord Shiva is the eternal witness. He is the embodiment of compassion. Lord Shiva is also known for His patience and self control. Shivji is the salvation. Shivji is the Shakti, and also Shivji is the essence of devotion. No one should underestimate the Glory of Lord Shiva.

VAISHNAV JAN TO

(One of Mahatma Gandhi's favourite bhajans - By Narsimh Mehta)

Vaishnav Jan To Tene Kahiye Je

Pid Parayi Jane Re

He who knows the troubles of others is a true "Vaishnav" (by which the poet implies the perfect human being...)

Par-Duhkhe Upakar Kare Toye

Man Abhiman Na Ane Re

He brings happiness to others but still does neither feels proud about it nor needs to be thanked

Vaishnav Jan To Tene Kahiye Je ...

Sakarl Lok Man Sahune Vande

He worships everybody in the world.

Ninda Na Kare Keni Re

He does not criticize anybody.

Vach Kachh Man Nishcharl Rakhe

Dhan-Dhan Janani Teni Re

His mother is indeed great who keeps his mind and his tongue under control.

Vaishnav Jan To Tene Kahiye Je ...

Sam-drishti ne trishna tyagi

He is fair to one and all. He does not covet anything.

Par-Stri Jene Mat Re

Another man's wife is like his mother to him.

Jihva Thaki Asatya Na Bole

No falsehood escapes his tongue.

Par-Dhan Nav Jhali Hath Re

He does not touch another's gold.

Vaishnav Jan To Tene Kahiye Je ...

Moh-Maya Vyape Nahi Jene

He is not affected by attraction to earthly goods.

Dridh Vairagya Jena Man Man Re

His is a firm ascetic by mind.

Ram Nam Sun Tarli Lagi

Sakarl Tirath Tena Tan Man Re

All the holy pilgrimages are in his body.

Vaishnav Jan To Tene Kahiye Je ...

Van-Lobhi Ne Kapat-Rahit Chhe

He is not greedy. He is devoid of any trickery.

Kam-Krodh Nivarya Re

He has conquered lust and anger.

Bhane Narasaiyyo Tenun Darshan Karta

Narsaiyyo (the poet Narsimh Mehta) sings that just seeing him

Kuri Ekoter Taraya Re

rescues 71 generations from the cycle of life and death.

Vaishnav Jan To Tene Kahiye Je ...

ALI ALI ALI MAULA ALI ALI (QAWWALI)

(Nirmal sangeet Sarita - 'Atma Ki Chadar; 'Mauli 2')

Kata:

Jang. me Hindu kahe te he Baj.rang. bali

The Hindus jump in the war by taking the name of the Bajarangbali (source of inspiration, Divine strength and courage)

Razm.me Musulma kahe te he Ya Ali

In the holy war the Muslims shout Ya Ali, since the name symbolises valour, courage and Divine strength.

Dono hi namo me jab. rawa he (x2)

The poet says: As both the names convey and provide

Joshe khuda ka pai gam

The Divine inspiration,

Sahaji ke jang.me koi kahe baj.rang. bali

Therefore in the war of Sahaj (against negativity and evil)

To koy kahe Ya Ali

Some take the name of Baj.rangbali while others take the name of Ali

Chorus:

Ali Ali Ali Maula Ali Ali (x2)

The Qawwali begins with the chanting of the name of Ali

Mataji milane ham.ko sang.le chali

Shri Mataji is explaining the real meaning of Ali to the seeker (She initiates the seeker by taking him along with Her to meet Ali)

Tha umr. bhar [zind.gi se gila (x3)]

The seeker had a life long complaint with the lifestyle he was leading

Raha gir mila [rahebar. na mila (x3)]

He had other seekers with him but no guide who could guide him to achieve self realisation.

Rahe zan mila rehe nu Ma na mila (x2)

There were a lot of bandits and plunderers who were eager to plunder his possessions but there was no one to lead him in the right direction

Rahemat. he Ma ki hame raheman na mila

It is in Her gracious kindness that the seeker is able to see the ultimate God

Tar.ke khuda [ki thi puri taiyari (x3)]

The seeker being disillusioned was in complete readiness to give up his belief in God.

Dekh. ke [dar weshi ki aiyari (x3)]

Seeing the fraudulent behaviour of the priests and custodians of religion.

Uth.gay. thi tawak kul se ae tabari (x2)

In view of the fraud perpetrated by the spiritual leaders, the seeker had lost faith in his devotion

Gani mat. Mataji ne hi zind.gi ubhari

It is through the saving grace of Shri Mataji that the seeker's life has been redeemed.

Kaha Mataji ne [tujhe maula dikadu (x3)]

Having redeemed the life of the seeker, She assures him of showing him God almighty.

Tujhe me [tera insan jila du (x3)]

She further assures that she would revive the soul of the seeker within him which is dormant.

Buniya di hak.ka tujhe sila du (x2)

She also assures of aprising the seeker of the fundamental right of taking self realisation

Chani jo kar.bala me wo jaam pila du

Shri Mataji assures the seeker that she will make him like Ali symbolically, by giving him the goblet of the Divine spirit which was manifested in Ali's readiness to sacrifice his own sons (Hassan and Hussain) in Karbala.

Kata:**Chal ban [tu mera ham safar (x3)]**

In order to achieve the above She beckons the seeker to become Her co traveller.

Roshan kar [ap.ni raha guzar (x3)]

She advises that the seeker must remove the darkness within in order to be able to walk to his goal of meeting Ali.

Rahate ruh.ki [tujhe ar.zu (x3)]

While your desires are seeking the comfort of your soul,

Khuda kya he ye [teri jiust. jiu (x3)]

What is God? is the seeker's perpetual quest.

Roshan kaha he teri ye ruh

Since your soul is not enlightened

Kara he hala ke ti rub. rhu

Even though you are in the close proximity of God and virtually knocking on the doors of his kingdom.

Kaise me dikhau [tujhe tera nabi (x3)]

How can Shri Mataji show the seeker the God he is seeking,

Siya ye duba [khud.se aj. nabi (x3)]

When the seeker is plunged in darkness and is not able to see his own identity

An.war ho kar bhi tujhe dikha he kabhi

Even though God is self luminous and emitting light, yet the seeker is not able to see Him because the seeker is not enlightened

Anko ka par.da khata kar. dek. tum abhi

Shri Mataji advises that unless the seeker removes the curtain of doubt and lack of surrender, the seeker will not be able to see the Divine.

Kata:**Kar kash.te khudi ka belos Kundalini**

Shri Mataji finally advises the seeker to get his Self Realisation by the purest form of energy known as Kundalini.

Dekh. uruj ap.ne hastika zarie Kundalini

The seeker can see the ascent and growth of his inner being with the help of his Kundalini.

Pahe chan khud. ko tu ruhani roshni

Then the seeker will be able to know himself within because of the Divine enlightenment he will achieve.

Dikhe ga tujh.ko tujh.me Ali**Is Roshni se (x2)**

The seeker will be able to see the Ali hidden within himself through the Divine light of Kundalini.

In sensual pleasures are pardoned by You
And their sins are also destroyed by You
Your voice is benevolent for the masses

When you are proven by establishing the truth

SANSKRIT SONGS

When you were singing I felt the clouds were catching the notes, weaving them within themselves, and when it would rain, the rain would sing the song again, as if the valleys were resounding, so beautifully, and the echo was very gentle and filling the whole atmosphere. Perhaps you are not aware of the subtlety of the Divine, how much it is anxious to work it out. But our trumpets and our flutes and our drums have to be all right. There has to be co-ordination - complete synchronising – then the melody is played in a beautiful way. Clouds only carry the purest water, the purest hymns, so when we are spreading the message we have to understand that it has to come from a pure soul. Purity is very important.

AYI GIRI NANDINI

(Shankaracharya's Praise Of The Divine Mother - 'The Universe Sings')

Ayi Giri Nandini Nandit. Medini

O beloved Daughter of the mountains, the One who brings about great joy to the earth,

Vishw. Vinodini Nandinute

The One who brings joy to the whole universe, I prostrate myself before You

Who are of the form of complete bliss

Girivar. Vindhya Shirodhini Vasini

Your holy abode is in the king of the mountains, the Vindhya

Vishnu Vilasini Vishnu Nute

Shri Vishnu is filled with joy when He meditates on You. I seek refuge at Your Lotus Feet

Bhagavati He Shiti Kanth. Kutumbini

O great Creatrix of this universe, the great Goddess who is the Wife of Lord Shiva,
the blue throated one, and of the family of Lord Shiva

Bhu ri Kutumbini Bhu ri krute

You belong to the universal family and for You the whole universe is Your family.

You are the One who does the greatest of great actions, namely giving Self-Realisation.

Chorus:

Jay. Jay. Hai Mahishasur. Mardini } (x3)

Victory to You O Great Goddess

Who killed the terrible demon, Mahishasura

Ramyak. Par.dini Shailasute

You are the One with the beautiful luminous face, Daughter of the king of the Mountains,

Shri Parvati, the Wife of the One who has the matted locks, that is Lord Shiva

Sur.var. Varshini Dur.dhar. Dhar.shini

On the Gods You shower auspicious blessings. Enemies of the Gods are so powerful,

Yet You are able to keep them away.

Dur.mukh. Marshini Har.sharate

You are the Destroyer of the evil faced ones (demons). You are the giver of uninterrupted happiness

Tribhuvan. Poshini Shankar. Toshini

You are the One who looks after and sustains all the three worlds,

The One who is the ultimate joy of Lord Shankara.

Kilmisha Moshini Ghosharate

You alone can destroy all our sins which You do by giving us self-realisation. Yet for the enemies of

The Gods and of Your children, You always wear a ferocious expression that says "beware!"

Danuj. Niroshini Kshit. sut.rosini

You show to the Gods that You are pleased with them. Yet to the sons of Diti who are the demons,

(different from Aditi, the Mother of the Gods) You always show Your displeasure.

Dur.mud. Shoshini Sindhusute

Even though there may be demons who have great strength, You can take their evil strength away.

Ayi Shat. Khanda Vikhandit. Runda

O Goddess You cut the demons into 100 parts and then cut them again and scatter the pieces

Vitundit. Shunda Gajadhipate

And pulverise the remaining parts into less than dust —

Even those demons that could be described as powerful as the King of Elephants.

Ripugaja Ganda Vidarana Chanda

The demons who are as strong as elephants or as ferocious as lions,

Parakrama Shunda Mrugadhipate

You alone, O Great Goddess, cut them and smash them into nothing

Nijabhuj. Danda Nipatit. Chanda

All this You do by using Your own powerful arms, without the help of anyone else. And after having destroyed them completely, if anything remains there, You scatter that also away

Vibhatit. Munda mathadhipate

You cut off their heads in one sweep and toss them away like balls

Dhanu Ranu Sanga Rana Kshana Sanga

In the battlefield You are so absorbed in the battle that Your arm moves continuously shooting arrows. Your entire body shakes as if You are dancing and Your bangles make musical sounds

Parisphut. Danga Natatkatake

Even while You are continuously brandishing the force of the Gods, You do it with total concentration, with grace and beauty

Kanak. Pishanga Pushatka Nishanga

O Great Goddess, You destroyed the demon Vatuke, when You shot Your arrows in the battlefield

Rasad Bhata Shruna Hata Batuke

They looked like flashes of gold and yellow light shining from Your bow

And they made sounds that are pleasing to the ear

Krut. Chaturanga Bala Kshiti Ranga

And Your very presence fills this army of Gods with enthusiasm, joy and valour, and even their arrows which are in the quiver on their backs shine forth with new colours

Ghatad. Bahu Ranga Ratad. Batuke

Seeing all this, Lord Bhairava dances in front of You in great ecstasy, repeating over and over again "Jai Mataji, Jai Mataji!"

Jay. Jay. Japya Jaye Jay. shabda

O Great Goddess, who brings salvation to the world, our complete prostration before You.

Constant incantation of Your Holy Name is the most supreme prayer that a devotee can take for his own meditation

Parastuti Tatpara Vishwanute

And when he gets absorbed in saying Your Name, the need for other sounds and language falls away.

O Goddess, who has brought salvation to this world, we constantly prostrate ourselves before You.

Jhana Jhana Jhinhita Jhinkruta Nupura

Lord Shiva, who, though beyond sound and language, when He hears the sound of Your wondrous ornaments moving against one another,

Jhinhita Mohita Bhutapate

When You are in battle or in dance and make sounds like Jhana JhanaJhinhita and Jhinkruta, He becomes totally filled with joy and leaving His meditation desires to hear these heavenly sounds again and again.

Natina Natartha Natin. Nata Nayaka

O Great Goddess, who took the form of Shri Ardha Narishwara, when You dance in the company of other great dancers, You put them all to shame

Natita Nataya Yuganu Rate

For Your divine cosmic dance You always have the greatest musicians and singers accompany You.

Ayi Sumanas Sumanas Sumanas

(Here the poet uses the word Sumanah 4 times; each time it denotes a different aspect of the Devi.)
With Your beautiful mind, You are also like a soft flower. Though we are seeing You in the form of Shri Durga, Your mind is as that of Lord Shiva and Shri Parvati

Sumanas Sumanohara Kantisute

Your being is so beautiful, and seeing You in this beautiful form our minds become as pure as those of the Gods, and we worship You even more because You are the one who is totally effulgent and all kinds of lights emanate from You.

Shrit. Rajani Rajani Rajani

(Here the word Rajani has four different meanings)
The night takes Your protection. Beautiful, You are the one whose Aarti we do

Rajani Rajani kara Vakravrute

You are the One who has no birth; You are eternal; in Your hand You hold a lotus;
Your noble face shines like a full moon

Sunayana Vibhrama Rabhrama Rabhrama

We see Your beautiful eyes under the lovely dark eyebrows that look like a cluster of bees

Rabhrama Rabhrama Radhipate

Your name is also Shri Brahmari Devi; when You raise Your eyebrows, the three lines that are formed on Your forehead are the three worlds themselves, and simply by the movement of Your eyebrows You create and dissolve the three worlds

Sahita Maharnava Malla Mattalika

In the battlefield when You are faced with great fighters

Vallika Rallika Mallarate

You do battle with them in the way in which they fight

Vir.chita Vallika Pallika Mallika

When You are confronted with such powerful demons who use no weapons,
You become totally absorbed in that battle

Jhillika Bhillika Vargavrute

And make plans to destroy them after You have tired them. All this brings great joy to the Bhil tribes who were being harassed by these Mallas.

Sitakruta Phulli Samulla Sitaruna

Your actions are so beautiful, like the rays of the rising sun, and become apparent to us as if flowers are suddenly blossoming on creepers

Tallaja Pallava Sallalite

Seeing all these beautiful actions Lord Shiva becomes pleased.

Kamala Dalamala Komala Kanti

Those beautiful pure clusters of lotuses that emit very gently and sweetly beautiful light

Kala Kalikamala Bhala Late

You have made these flowers blossom by Your own powers and have put them in Your hair.

Sakala Vilasa Kala Nilayakrama

Heavenly swans have the power to discriminate and when they recognise all of your great work,

Keli Chalatkala Hansa Kule

They are filled with complete joy and move around in an excited manner

Alikula Sankula Kuvalaya Mandala

Just as clusters of bees are attracted to groups of fragrant lotuses

Mauli Milad Bakulati Kule

The stars come in clusters attracted to Your forehead.

ENGLISH SONGS

he mind which is covered with thoughts, which is thickened, which is gross, can be thinned out at certain points, and can be very sensitive at certain points. For example, some people could be very sensitive to music. Some could be to art. Some could be to human beings. Some could be to other things which might make them something of rare people. But these subtler things which create your personality always indicate in your being that there is something of the Beyond which is throwing some images within you.

Such people are conscious of that – that there are some images which are throwing these subtle ideas within you. They are erupting some new commotion within you, and once you start seeing them, you are compelled to put them down somewhere. That's how the poets are created, musicians are created, great masters are created.

OM BHUR BHUVAH

(English Sahaja Yogis)

Chorus:

Shri Ganesha, Jai Shri Ganesha!

Shri Ganesha, Jai Shri Ganesha!

Om Bhur Bhuvah Swaha

Mahaganapati Deva namah

Om Bhur Bhuvah Swaha

Mahaganapati Deva namah

We bow to the son of Lord Shiva

We sing to our glorious Lord

We pray to the One who is worshipped first

Our elephant headed God

Your first tooth You have and four holy hands

The blessing, rope and goad

The fourth offers food to your devotees

As they worship their innocent lord

You are the One who removes obstacles

The One who bestows all success

Eternal and pure and beautiful

The wisdom by which we are blessed

We see You in our children's eyes

We see You in our brothers

We pray that Your innocence leads us on

To the Lotus Feet of our Mother

I DANCED IN THE MORNING

(Traditional)

I danced in the morning when the world was begun
 I danced with the moon and the stars and the sun
 I came down from heaven and I danced on the Earth
 At Bethlehem I had my birth

Chorus:

Dance, dance, wherever you may be
 I am the Lord of the Dance, said he
 And I'll lead you all wherever you may be
 And I'll lead you all in the dance said he

} (x2)

I danced for the scribe and the pharisee
 But they wouldn't dance
 And they wouldn't follow me
 I danced for the fishermen, for James and John
 And they came to me and the dance went on

I danced in the morning when the sky turned black
 It's hard to dance with the devil on your back
 They buried my body and they thought I'd gone
 But I am the dance and I still go on

I came down low and I leapt up high
 I am the Light that will never, never die
 I live in you and you live in me
 For I am the Lord of the Dance said he.

MATAJI , MATAJI

Mataji, Mataji
 Your face shines like a thousand suns
 You have given us
 More than we could ask for
 Bliss and peace and harmony

ONWARD VALIANT NIRMALITES

(Hymn arranged by Australian Sahaja Yogis at Shri Mataji's request- March 1985)

Onward valiant Nirmalites
Marching as to war
With our Mother's bandhan
Going on before!
Mataji our redeemer
Leads against the foe
Forward into battle
See the banners go!

Chorus:

Onward valiant Nirmalites
Marching as to war
With our Mother's bandhan
Going on before!

Like a mighty army
Moves the love of God
Brothers we are treading
Where the saints have trod!
We are not divided
All one body we
One in truth and one in peace
And one in harmony!

Onward then ye people
Join our joyous throng
Blend with us your voices
In the triumph song!
Glory laud and honour
Unto Mataji!
And for countless ages
Men of God we'll be!

JERUSALEM

(By William Blake)

And did those feet in ancient time
Walk upon England's mountains green?
And was the holy Lamb of God
On England's pleasant pastures seen?
And did the Countenance divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among those dark satanic mills?

Bring me my bow of burning gold!
Bring me my arrows of desire!
Bring me my spear!
O clouds, unfold!
Bring me my chariot of fire!
I will not cease from mental fight
Nor shall my sword sleep in my hand
Till we have built Jerusalem
In England's green and pleasant land!

You are the Earth that bears the life

You are the joy, You are the happiness
And the one who prays to You
Receives eternal happiness
The Mother of Lord Ganesha,
Kartikeya and Jesus are You
Please accept us as yogis
As Your children too

PASS IT ON

It only takes a spark
To get a fire going
And soon all those around
Can warm up in its glowing
That's how it is with Mother's joy
Once you've experienced it
You spread this joy to everyone
You want to pass it on

What a wondrous time is spring
When all the trees are budding
The birds begin to sing
The flowers start their blooming
That's how it is with Mother's joy
Once you've experienced it
You want to sing, it's fresh like spring
You want to pass it on

I wish for you my friend
This joyful life that I have found
On Her one can depend
It matters not where you are bound
I'll shout it from the mountain top
I want the world to know
The source of joy has come to earth
I want to pass it on

I'll shout it from the mountain top
I want the world to know
The source of joy has come to earth
I want to pass it on
The source of joy has come to earth
I want to pass it on

BATHE IN THE WATERS

Chorus:

Bathe in the waters!
Bathe in the waters, children!
Bathe in the waters!
Mother's gonna vibrate the waters!

I see that band all dressed in white
Mother's gonna vibrate the waters!
Look like a band of Nirmalites
Mother's gonna vibrate the waters!

See that band all dressed in red!
Mother's gonna vibrate the waters!
Look like a band by the Spirit led
Mother's gonna vibrate the waters!

Remember one thing and it's certainly sure
Mother's gonna vibrate the waters!
Judgement is here and my heart is pure
Mother's gonna vibrate the waters!

Down from the mountain Shri Kalki rode
Mother's gonna vibrate the waters!
Out of His mouth came fire and smoke
Mother's gonna vibrate the waters!

I heard a rumblin' up in the sky
Mother's gonna vibrate the waters!
Must-a-been Jesus passing by
Mother's gonna vibrate the waters!

Down in the valley, down on my knees
Mother's gonna vibrate the waters!
Askin' my Mother to save me please
Mother's gonna vibrate the waters!

You can hinder me here, you can hinder me there
Mother's gonna vibrate the waters!
But the Mother in Heaven will hear my prayer
Mother's gonna vibrate the waters!

The enemy's great, but Shri Durga is strong!
Mother's gonna vibrate the waters!
Shri Mataji's love transforms the world
Mother's gonna vibrate the waters!

She is the One come to save all mankind
Mother's gonna vibrate the waters!
By showing us how to get above the mind
Mother's gonna vibrate the waters!

Our Sacred Mother is fond of Her devotees
Mother's gonna vibrate the waters!
She gives Divine Bliss, Shri Sharma Dayini
Mother's gonna vibrate the waters!

Shri Nirmala is the Purest of all
Mother's gonna vibrate the waters!
She's Eternal and Indestructible
Mother's gonna vibrate the waters!

She has no doubts, She's beyond everything
Mother's gonna vibrate the waters!
And the love that She showers makes my heart sing
Mother's gonna vibrate the waters!

THE VISION *(Kim Pearce)*

Chorus:

Can you see the Vision

See the Vision?

Can you see the Vision

Look for the Vision

Shri Ganapati, shall we see you dance at Uluru?

Shall the prophecies of ages past be proven true?

Oh, visions of a universe

That's filled with the vibrations!

The Devi's great Mantras

Being sung by every nation!

Oh, Markandeya! Did you know

The world would be alright?

And could you see Sahaja Yogis

Holding forth Her light?

And Michelangelo! Did you see Her face

Among the clouds?

Shri Shankaracharya did you sing

Her praises out aloud?

O Mother! Will I wake to find

Your hand upon my face?

And will I feel the Devi's glance

So full of tender grace?

And shall Your children find their rest

In just one smile so sweet?

The longing in our hearts fulfilled

To touch the Devi's feet?

ETERNAL BLISS

(Adi Shankarasharya, set to traditional South American melody)

I am neither intelligence nor mind,
 Nor chitta am I, nor ego am I
 I am neither the ears nor the tongue,
 Nor even smell, nor even sight, nor even touch
 Nor water, fire and air, ether and Earth,
 Nor light itself
 I am eternal bliss and awareness
 I'm Shiva, I'm Shiva, I am Shiva

I am neither the five vital breaths
 Nor any of the five sheaths of body's being
 I am neither the prana nor the hands, nor heart,
 Nor the eyes, nor head and feet
 I'm not the seven elements of body itself,
 Nor sound of shell
 I am eternal bliss and awareness
 I'm Shiva, I'm Shiva, I am Shiva

Nor liking, loathing, greed have I within,
 Nor mind's desire of things, nor desired things
 Ain't got nothing of pride or liberation,
 Nor ego, nor dharma itself, nor dharma itself
 I am neither the eater nor the food,
 Nor the act of eating food
 I am eternal bliss and awareness
 I'm Shiva, I'm Shiva, I am Shiva

I know no virtue, pleasure, vice and pain,
 Nor mantra or sacred place, nor sacrifice
 I know nothing of vedas nor of fears,
 Ain't got no death, nor birth itself
 No father, mother, brothers have I got,
 Not even friends, nor caste or end
 I am eternal bliss and awareness
 I'm Shiva, I'm Shiva, I am Shiva

I have no form or fancy, everywhere I am,
 Existing far beyond the senses
 I'm all pervading. I'm not to be known,
 I am, and that is all, that can be known
 I am beyond expressions beyond words,
 Or any hope, or any thought
 I am eternal bliss and awareness
 I'm Shiva, I'm Shiva, I am Shiva

*Music is so much appreciated.
I think there is nothing in
this so-called modern music, but it's the
rhythm with which they capture the heart.
And the rhythm is anahat, the force is
anahat, is the heartbeat. Heartbeat is the
beating of the vani. It's the beating of the
force within you which makes the sound,
and that's why beats are very important.*

RAKHI BROTHER'S SONG

(Pavan Keetley and Matthew Fogarty)

It seems to me sweet sister
That there could hardly be
A love more like our Mother's
Than the one you've offered me
With face so fair and innocent
No other motives there
Except, expressed right from the heart
True respect and care

Chorus:

I am your rakhi brother
A spiritual brother to you
And this bond between us
Will last our whole life through

The giving of a gift like this
Is more than I could say
You've touched me very deeply
And in a holy way
Now I'll think of you each day
Wherever I may go
My soul will reach across that space
And try to let you know

And so today, as through the years
Your face again I see
Reflecting there the grace and good
That is Shri Mataji
Your sweetness and your beauty shine
Inspiring me and so
Thank you again sweet sister
You've helped me much to grow

And so it is, and so will be
The golden age this way
We know the dharma it requires
Is here with us today
The flower and sweets, the perfumed oil
The rakhi that you tie
Reminds us of the truth and love
We know will never die

MOTHER, I ADORE YOU

Mother, I adore You,
All my life I give You,
How I love You

MORNING HAS BROKEN

(Traditional Hymn)

Morning has broken
Like the first morning;
Blackbird has spoken
Like the first bird.
Praise for the singing,
Praise for the morning,
Praise for them, springing
Fresh from the word.

Sweet the rain's new fall
Sunlit from heaven,
Like the first dewfall
On the first grass.
Praise for the sweetness
Of the wet garden,
Sprung from completeness
Where His feet pass.

Mine is the sunlight;
Mine is the morning
Born of the one light
Eden saw play.
Praise with elation,
Praise every morning,
God's recreation
Of the new day.

SHE'S GOT THE WHOLE WORLD IN HER HANDS

She's got the whole world in Her hands
She's got the whole wide world in Her hands
She's got the whole world in Her hands
She's got the whole world in Her hands

She's got the whole Virata in Her hands (x3)
She's got the whole world in Her hands

She's got all the saints...

She's got the cool vibrations...

She's got Kundalini power..

She's got the subtle system...

She's got the Cosmic play...

She's got all the Deities...

She's got the Shakti power..

She's got all the religions...

She's got our awareness...

She's got evolution...

She's got Nirvikalpa Samadhi...

THE LORD'S MY SHEPHERD

The Lord's my shepherd, I'll not want
He makes me down to lie
In pastures green, He leadeth me
The quiet waters by

My soul He doth restore again;
And me to walk doth make
Within the paths of righteousness,
E'en for His own name's sake.

Yea, though I walk in death's dark vale
Yet will I fear no ill;
For Thou art with me, and Thy rod
And staff me comfort still

My table Thou hast furnished
In presence of my foes;
My head Thou dost with oil anoint,
And my cup overflows.

Goodness and mercy all my life
Shall surely follow me;
And in God's house for evermore
My dwelling place shall be

"After years, you see, when I was a child, I used to sing this very much. Now after years to hear that from all of you, so beautiful it is. All my wishes are fulfilled.

I feel so many things. I feel so many things, I wish one day I could relate to you. How all it has happened so beautifully. It's tremendous, that's all!"

Shri Mataji, Burwood Ashram, 13th March 1985

ANGELS FROM THE REALMS OF GLORY

Angels from the realms of glory
 Wing your flight o'er all the Earth
 Ye who sang creation's story
 Now proclaim Messiah's birth

Gloria, in Excelsis Deo (x2)

Shepherds in the fields abiding
 Watching o'er your flocks by night
 God with man is now residing
 Yonder shines the Infant light

Sages leave your contemplations
 Brighter visions beam afar
 Seek the great desire of nations
 Ye have seen His natal star

Saints, before the altar bending
 Watching long with hope and fear
 Suddenly the Lord, descending
 In His temple shall appear

Though an infant now we view Him
 He shall fill his Father's throne
 Gather all the nations to Him
 Every knee shall then bow down

See his Mother now rejoicing
 Her immaculate son born
 Once again She's come to find us
 As She proclaims the golden dawn

You hold the universe in Your hand
The lotus unfolds at your command
You save your children from the dark
Sheltering them inside Your heart...for You are...

You are Shri Ganesha, childlike and wise

SILENT NIGHT *(From the German by Father Joseph Mohr,
music by Franz Gruber Oberndorf, Austrian Tyrol; 1818)*

Silent Night, Holy Night
All is calm, All is bright
Round yon Virgin Mother, and Child
Holy infant so tender and mild
Sleep in Heavenly Peace,
Sleep in Heavenly Peace.

Silent night, Holy night
Shepherds quake at the sight
Glories stream from heaven afar
Heavenly hosts sing 'Alleluia'
Christ our Saviour is born
Christ our Saviour is born.

Silent night, Holy night
Son of God, Loves pure light
Radiant beams from Thy holy face
With the dawn of redeeming grace
Jesus Lord at Thy birth
Jesus Lord at Thy birth.

Silent night, Holy night
 Wondrous star, Lend your light
 With the angels let us sing
 Alleluia to our king
 Christ our Saviour is born
 Christ our Saviour is born.

Stille nacht, Heilige nacht
 Alles schlaaft, ensamwacht
 Nur das traute, hock heilige paar
 Holder Knabe in lockigem haar
 Sclaf in himmlischer ruh (x2)

 Born that man no more may die
 Born to raise the sons of Earth
 Born to give them second birth

I VOW TO THEE MY COUNTRY

(Music by Gustav Holst)

I vow to thee my country, all earthly things above
 Entire and whole and perfect, the service of my love
 The love that asks no questions,
 The love that stands the test
 That lays upon the altar
 The dearest and the best
 The love that never falters,
 The love that pays the price
 The love that makes undaunted
 The final sacrifice

And there's another country I've heard of long ago
 Most dear to them that love her
 Most great to them that know
 We may not count her armies
 We may not see her king
 Her fortress is a faithful heart
 Her pride is suffering
 And soul by soul and silently
 Her shining bounds increase
 And her ways are ways of gentleness
 And all her paths are peace

THE EXTOLLATION OF THE DEVI

(From Devi Mahatmyam, chapter 1)

O You who are the Soul of everything,
Who is capable of extolling You?
Eternal and Imperishable One,
You are the embodiment of the Sacred Word,
You are Savitri and the Supreme Mother of the Devas.

By You this universe is born, by You this world is created,
By You it is protected, O Devi,
And You always consume it at the end.

O You who are always of the form
Of the whole world,
At the time of creation,
You are of the form of the creative force,
At the time of sustenation,
You are of the form of the protective power,
And at the time of the dissolution of the world,
You are of the form of the destructive power.

You are the supreme knowledge
As well as the great nescience,
The great intellect and contemplation,
As also the great delusion,
The great Devi as also the great Asuri.

You are the primordial cause of everything,
Bringing into force the three qualities,
You are the dark night of periodic dissolution
You are the great night of final dissolution,
And the terrible night of delusion.

You are the Goddess of good fortune,
The ruler, modesty, intelligence
Characterized by knowledge;
Bashfulness, Nourishment, contentment,
Tranquility and forbearance.

Armed with sword, spear, club, discus, conch,
Bow, arrows, slings and iron mace,
You are terrible and at the same time, You are pleasing;
Yea more pleasing than all the pleasing
Things and exceedingly beautiful.

Om Twamewa Sakshat,

RISE AND SHINE

(Pune Yuva Shakti)

Chorus:

Rise and shine and give God the glory glory
Children of the Lord.

Mother said to the children,
Let it be floody floody,
Go and help out those in the muddy muddy.
I am in your hearts.
We are Nirmalites.

We are the children of Adi Shakti Mataji.
We are the lucky ones blessed by Shri Mataji.
We are the pioneers of new world.
We are Nirmalites.

We shall take the message of love,
We shall sing the song of love.
We shall light the lamps of innocence.
We are Nirmalites.

BE THOU MY VISION

Be Thou my vision, O Queen of my heart,
Naught be all else to me, save that Thou art -
Thou my best thought, by day or by night,
Waking or sleeping, Thy presence my light.

Be Thou my wisdom, be Thou my true word;
I ever with Thee, Thou with me, Lord;
Thou my great Mother, I Thy true Son;
Thou in me dwelling, and I with Thee one.

Be Thou my battle shield, my sword for the fight,
Be Thou my dignity, Thou my delight;
Thou my soul's shelter, Thou my high tower;
Raise Thou me heaven-ward, O Power of my Power.

Riches I heed not, nor man's empty praise,
Thou my inheritance, now and always;
Thou and Thou only, first in my heart,
High Queen of heaven, my treasure Thou art.

Goddess of heaven, after victory won,
May I reach heaven's joys, O bright heaven's Sun!
Heart of my heart, whatever befall,
Still be my vision, O Ruler of all.

MADUR GITA *(Sweet Song)*
(Sarah Labade)

Chorus:

O Shri Krishna please dance,
And play Your sweet Flute,
So that it may be the Madura Shakti

You are the Leela in life's greatest drama,
The One who's the witness, Protector of Dharma.
The mischievous One who showed us the lightness,
Removed austerity, provided laughter.

The sound of Your flute can teach us the Hita,
Perfection of sweetness, the Bhagavad Gita.
Our Mother illumines Your knowledge within us,
To know and develop our spiritual purpose.

The time we live is Virata Shakti,
The weapons of killing now weapons of peace.
Complete humility like fruits on the tree,
That bend over giving the Sahaja Yogis ...

KUNDALINI, SACRED MOTHER

(IPO, 'Blossomtime' CD)

Can you feel the cool wind blow, how it flows and it flows,
There's a silence in my heart, it grows and it grows
See the light shine within, a beam of love so pure
You may say it's all a dream, but we can show it's true
Yes we can show it's true

Chorus:

Kundalini, Sacred Mother, Holy Spirit, Pure White Dove
Kundalini, Sacred Mother, Make us rise on Your wings of love

She guides us every day, as fortune comes our way
All we have to do is listen, to the flow of love within
So arise and join us, do not wonder any more
In a maze of illusions, the sons of man may know,
Yes, the sons of man may know

We are the creation of Mother Earth and Sea
The wind of inspiration is blessing you and me
Our Mother is the khumbar, She carries everywhere
The water of the Spirit, that we may grow aware,
That we may grow aware

Kundalini, Sacred Mother, Holy Spirit, Pure White Dove
Kundalini, Sacred Mother, Make us rise on Your wings of love
Make us rise on the wings of love (x2)
Make us rise (x3)

RAINING ON THE ROCK*(John Williamson - 'True Blue')*

Pastel red to burgundy and Spinifex to gold
 We've just come out of the mulga
 Where the plains forever roll
 And Albert Namatjira has painted all the scenes
 And a shower has changed the lustre of this land.

Chorus*:

And it's raining on the Rock
 In a beautiful country
 And I'm proud to travel this big land
 As a Sahaj Yogi.
 And it's raining on the Rock
 What an almighty sight to see
 And I'm wishing that the whole world
 Will know Shri Mataji.

Everlasting daisies and the beautiful desert rose
 Where does their beauty come from,
 Heaven knows.
 I could ask the wedge-tail
 But he's away too high
 I wonder if he understands
 It's wonderful to fly.

It cannot be described in a picture
 The mesmerising colours of the Olgas
 Or the grandeur of the Rock
 Uluru has power!

** Chorus for Public Programs:*

And it's raining on the Rock
 In a beautiful country
 And I'm proud to travel this big land
 As an Aborigine.
 And it's raining on the Rock
 What an almighty sight to see
 And I'm wishing that the whole world
 Will live in harmony.

TO MOTHER *(Kate Henshaw)*

Chorus:

Mother You are in all that is beautiful
Mother You are in all that is true
Mother You are the Joy of Creation
All of our joy comes from You.

Mother You are in the flowers of the jungle
Mother You are in all the stillness of the plain
Mother You are in the surge of the ocean
Mother You are in the wind and the rain.

You are in the bond between brother and sister
You are in the love between husband and wife
You are the peace that will grow between nations
In the midst of our families, the strength and the light.

Mother You are in our singing and dancing
Mother You are in our poetry and prayer
Mother You are in our deepening and sharing
In all that is beautiful, Mother is there.

INDIA *(Kim Pearce)*

Shri Kundalini Mata
We bow down to You.
Shri Yamuna, Shri Ganga
Flowing pure and true.
Shri Sita Ram, Laxshmana
Arrows in Your hand.
Please guide us on our journey
Through this timeless land.

India, India (x2)

For lifetimes I've been waiting
Endlessly I've roamed.
Your very Earth vibrating
Now my Spirit's home.
We'll climb to Saptashringi
Touch the Sahastrara
Shri Adi Shakti Nirmala Devi –
You are India.

India, India,
India – Nirmala Devi.

TO PLEASE, TO PLEASE OUR MOTHER SO HIGH *(Music of Joy)*

Chorus:

To Please, to please our Mother so high
There never shall be a purpose so high.
To Please, to please our Mother so high
There never shall be a purpose so high.

Mother please come into my heart
Dwell in the blossom that opens apart.
Sit on Your throne, O fragrant Goddess,
My Queen so noble, Compassion so tireless!

In my heart let Your feet rest,
So that I may toil to treat them best,
With fragrance and pollens and extollations,
To those working feet, emitting vibrations!

Let me be free from delusion
So that I may see without confusion
All blessings and joys that You have given me,
I thank you now and eternally.

WE'RE ALL IN HER BANDHAN

Chorus:

We are your Brothers
We are your Sisters
And we are ever one.
We are together
You'll leave us never
These ties won't be undone

When ever you touch the silence
Be sure we'll meet you there
When ever you feel collective
Know its with us you share

So when you feel that feeling
of being far apart
Think back to now and hear again
The way we feel at heart

Last line on 2nd Chorus "We're all in Her Bandhan"

KINDLE MY HEART

Words (inspired by William Blake) and Music by Patrick Doyle from the film 'A little Princess' (1995)

As the moon kindles the night,
As the wind kindles the fire,
As the rain fills ev'ry ocean
And the sun, the earth...
Your heart will kindle my heart.

Take my heart, take my heart,
Kindle it with Your heart.
And my heart cannot be...
Kindled without You
With Your love kindle my heart.

May Your love fill the world
And take us in Your heart.
May this love fill all the hearts
Ev'ry soul
In Your heart, full of Your love

An excerpt from an interview with the composer of 'Kindle My Heart', Patrick Doyle.

Let's speak about "A Little Princess", one of your finest scores for a little film. How did you meet director Alfonso Cuaron and how did you approach the music?

Alfonso Cuaron heard an interview I gave on national public radio in the US and felt that I may perhaps have been the composer he was searching for. He is a very erudite and culturally perceptive man with a keen, eclectic taste and understanding of music. The music of the film, like the story, needed to be delicate, intimate and childlike, full of magic and wonder. The film was very spiritual and I felt I needed to capture this spiritual energy within the music.

Unlike with Henry V, where you recreated the period with a late 19th century idiom, you used authentic Indian instruments for "A Little Princess". Did you enjoy that and what's the difference between the two films as far as the authentic mood is concerned?

In my preparation for "A Little Princess" I listened to lots of Indian music and read a little about Indian spiritual and cultural heritage, in particular the legend of Rama and Sita, which features in the film. What gives me great pleasure is the fact that the character of the Indian Servant in the film, played by Sandeep Walia, avoids becoming a stereotype, and instead establishes himself as a vehicle for the spirituality of the film. He came across as a guardian angel with far more strength and power than any other character in the film.

Like some other scores, "A Little Princess" featured some vocal parts performed by your daughter. Do you like doing vocals and what was the idea behind this specific song, "Kindle your Heart"?

It was a great pleasure writing the lyrics for the song "Kindle My Heart". When I was first commissioned to write it, Alfonso (Cuaron) asked that the lyrics for the song contain words such as 'kindle', 'spirit' and 'heart', and as such these emotive words formed the foundation of the song. My daughter, Abigail, was coincidentally, age-wise, a contemporary of Liesel Matthews who played Sara. Her singing voice was entirely untrained, and thus held the natural innocence required for the song. Originally I only asked Abigail to sing a demo of the song to let the filmmakers hear it. Everyone, unsurprisingly, fell in love with her voice, so much so it inspired rather a charming series of events. Complete with the accompaniment of ethnic instruments, the demo tape was sent to Los Angeles... When Alfonso Cuaron heard it, he was immediately so inspired that he cancelled the day's scheduled filming, and created a whole new idea for a scene. The set was redressed and what followed was the scene against which the song is now played, when Sara dances beautifully in the snow. Today it is one of the most famous scenes in the film.

(Michelle Shetty)

Chorus:

Oh the Kingdom of Heaven is here
And Your Majesty rules from within
Your name is Goddess Nirmala
Speechless, we are blessed with Your darshan

Wisdom of the ages in the children's eyes.
A cool breeze from a havan and diamonds in the sky.
What a place, what a place, what a wonderous place.
What a race, what a race, what a marvellous race.
What a sight! What a life! What a time!
What a time to be a-live!

Faces growing younger with a timeless light.
Voices of angels sing through the night.
What a place, what a place, what a wonderous place.
What a race, what a race, what a marvellous race.
What a sight! What a life! What a time!
What a time to be a-live!

Miracles and stories, too many to record.
Beyond our biggest dreams, a new reality unfolds.
What a place, what a place, what a wonderous place.
What a race, what a race, what a marvellous race.
What a sight! What a life! What a time!
What a time to be a-live!

WORLD SONGS

*A*ctually, the whole thing plays like
a torrential movement of his heart.

*Absolutely like that it moves, very fast, and
then he (Mozart) brings it down, stops it
– beautiful it is. But only a realised soul can
understand that. It is a new venture which can
work out, and anything new will appeal very
much to the western mind.*

ay, music, for art, for anything you have to have pure attention and that comes through your innocence. Say a person who is an artist and who's very money-oriented, say for example, a person who is doing some paintings and all that. His art cannot become eternal art. Cannot. That's why we see in modern times whatever art is created, it just comes and goes. It has no eternal value. Same with the modern music that they're having. The same thing is happening. It comes and goes and no one knows where it has disappeared. Behind it is money orientation and that money orientation results into a kind of a creation which is not perfect.

Sing for Health Article	p441-443
-------------------------------	----------

Sing for Health

A recently-released study by the University of California suggests that singing can make one healthier. Increased levels of disease fighting proteins were discovered in the mouths of persons singing in the study.

These proteins are used by the immune system of the body to fight disease. An increase of up to 150% was noted with the singers during rehearsals and around 240% increase was noted during performance.

Many singers also reported a sense of happiness or euphoria when they sang. Robert Beck and Thomas Cesario who

both conducted the study for the college of medicine suggested that the increase in levels of immune proteins might be because of the singer's state of mind as they became more familiar with the music.

Some of the subjects reported having deeply emotional reactions to performing. It was speculated that there could be a link between immune response and singer's emotions.

So, this study suggests that singing could be very good for our emotional and physical health. (July 24, 2001)

SHRI MATAJI EXPLAINS AND TRANSLATES 'JOGAVA'

Pratishthan, 15th October 1988

Saint Eknath was from 'Pratishthana', called as 'Paithan' and he is the one, who has written this "Jogava", means the Yoga and at that time he sang this in a very village language and it sung by so many people all over the Maharashtra. You can imagine that this song was written so many years back and now they have converted into a kind of a - for Sahaja Yoga - but it is a very - absolutely precisely described - what they wanted at that time. Now, in the beginning he says - the Goddess of Maharashtra was called as "BAYA". You will be amazed - in my childhood my name was Baya. They use to call me in my family as Baya. So, he is saying that I will ask Mother to give me the Yoga. In the villages it is said "Jogava" - again he says - 'Bayecha Jogava'.

Now 'ANANDI NIRGUNI' the one which is without any gunas has manifested this "Bhawani" on this earth, and She has come to kill this Mahishasura. Also she has come 'Trividh TAPANCHI KARAVAYA JHADANI' to remove our three types of heating pains and now She is going to come for our 'Nirvana', that time he had said, he says that what I will I do when she will come for my 'Nirvana-Dwaitya' - I have got, means I am thinking about myself as separate from God. 'Dwaita' is that you think this world is separate from God, then I will remove this 'Dwaita' and I will put a garland to Her and in my hand I will take the flag of enlightened knowledge (already he is describing it) and without any discrimination about cast or religion or anything I will go to visit Her. Then what I will do, for nine days I will do nine types of Bhakti of this Goddess and then I will give up all other asking or anything and I will ask for a son who is knowledge.

Then I will do (this is a lady singing, he sings like a lady) so he says that this world is full of ego, 'Dambha' is false pride, so I will give up that kind of bad son. It is the bad son and what will I do in the 'PARADI' (basket) is the place in which you carry flowers for the God. In the 'Paradi' I will put complete enlightened knowledge and all the 'ASHA MANISHANCHA' means all the desires and all aspirations. I will finish them, completely break them. 'MANOVIKARA VIKARA KAREEN KURVANDI' all my 'Manovikaras', you see all the mind, which is so much conditioned; (like they say in Hindi that you take out the bad eye). So I will take out as that from my mother earth. 'AMRIT RASACHI BHAREEN ME DHURDI - basket I will be filling with the 'Amrit Rasa' that is the ambrosia. 'AATA SAZANI', (She is telling her friend) O my friend, now I have become completely detached NISANG and my husband who was a doubt, I have given up living with that husband of mine, means the doubt has disappeared from me. Then she says that the 'Kama and Krodha' these two are 'MANG' is the one, scheduled caste people who burn the bodies and I have given them up

and what ever left I have made my - I have opened out my tunnel - that is of Sushumna - see now.

Such a Yoga I have asked and kept it with me when I got it. I went to the great door and I thanked the God Almighty and I have now come out of this life and death problems.

At that time he wrote all this and today you are getting the results. Just that, so clearly and a lady singing this, we have to take some vows, something about yourself and about others. We have to remember one great thing - that we are Yogis now. That too we are Sahaja Yogis and as Sahaja Yogis, we have to be 'par excellence', in our behaviour, in our temperament, in our dealing with others, tackling any situation or getting solution out of some problems. You have to be of 'par excellence'. Now some of you find that you have very good brain, I mean - intelligence - but you lack in your heart. Some of you have got very large heart but you lack in your brains. So the balance must be brought. But the greatest knowledge - greatest of all the greatest knowledge is to know that GOD IS LOVE. HE IS LOVE and if you cannot even love a Sahaja Yogi, then also must know that there is something very wrong in you, which must go out. The love has to be there and this love is what we call as 'Nirvajya' means there is no interest on you, just the capital, meaning you love each other in such a manner that you just give and don't expect anything. Just give and enjoyment of giving is the highest.

I tell you from my experience. To me the greatest joy is when I can give Realisation, second one is when I can give away things. The third one could be that I can give it to others. So now, as you are not the people, who are sitting at the receiving end, but at the giving end, you must know what you have given to others. On the contrary, even now, if you just give your tempers, you show your greed and all kinds of things that does not behaves a Sahaja Yogi, then, you have to know that there is something still left behind. Or else if you are so particular about small things like clothes, like food, like comforts then know that there is something is missing, that personality is not full and also remember one sentence always, "ask a question to your self - Have I fulfilled my destiny?".

This is one question you should ask, have I fulfilled my destiny? and that will clarify the situation for you, because now you are a guru of your own, you know, you understand. You know so much about Sahaja Yoga mentally. But when it penetrates into your being and the whole knowledge becomes a part and parcel of your being, then it's a very different thing.

The whole attitude about facing anything is very different for a realised soul. Like me, I would say - if I see a problem, immediately I go into meditation, immediately, and the problem is solved. Because that's my power. In the same way if you see a problem and if you go into meditation, the problem will be

solved by me. That means in meditation you surrender to me, then it is my job. But if you start solving it mentally or orally, you will fall into traps. So, the best thing is, any such problem that bothers you, you should just go into meditation, don't have to even pray - just go into meditation with that problem and you will come out victorious.

What today you have been asking me for the victory, I have to tell you that you are very safe in the fort of your meditative state and very well in meditation only you can grow, you cannot grow otherwise. It is like the sunshine for any tree. You have to be in meditation, in Nirvichara, you don't have to oppose anybody, you don't have to agree anybody, you don't have to say anything. Specially for other Yogis, You don't have to say anything. Anybody whom you find to be funny, just go into meditation and you will be amazed how things will change, and this is your power. How many people have got realisation in this world? Very few. They are growing up - all right, they are working it out. But what is lacking in them is the Meditative Force.

The best way is to surrender and the surrendering is easier. You just put me in your heart, all the time, the simplest way. Then you cannot live without it. You cannot exist without it. You feel completely lost. It's kind of a very detached love. You just feel absolutely rested, blissful, and content. Then you don't want anything. That is the state, one has to establish. It is so easy for you because i am in person with you. Only problem that is there as i told you in sahaja yoga that you have to recognise me to begin with. But to recognise me is rather difficult because I am a Mahamaya and so normally you might come into that mess created by Mahamaya. But as I told you the other day that you could not have faced me in my other form. Imagine a person with a sword in the hand sitting on a lion. Could not have faced it. So I had to be Mahamaya and this is what it is, that in this form you can come close to me, you can talk to me, you can also take my advice, if you want. So this counseling can be done better. I could decode everything to you. I could tell everything about it. But to KNOW THAT YOU ARE SITTING BEFORE MAHAMAYA ITSELF IS VERY HELPFUL. So don't get lost into the garb of Mahamaya. In your protocol, in your understanding, in everything you have to remember that we should not make mistakes and we should try to surrender. Automatically you will learn everything. There is nothing to be taught to you.

That state is such - like a tree. When it comes to its full bloom, it gives flowers and the flowers come to it's own maturity that give fruits. That is how you are built in. That is how you grow. What then happens you yourself feel your own growth and enjoy it and just live happily with it. So ultimately my destiny is one that I should make you all very happy and joyous. That is my destiny. That is why all this struggle is going on. I hope I fulfill my destiny and your destiny too.

MAY GOD BLESS YOU

Omkar. Swarupa - Saint Gnaneshwara

(Translation given by Baba Mama at Bavasagara Puja, Brisbane, 1991)

This is a song praising the Guru,
singing how high the Guru is.
What is the height of the Guru

The chorus says:

O Guru, You are the incarnation of Omkara.
You are the Sadguru, who knows good teaching.
You are the 'Samartha,' the one capable of giving good teaching.
You are the patron of the orphan,
You are the Father of the orphan,
And therefore I bow to You, I bow to You, I bow to You.

Verse 1:

I bow to You like my father,
Because you hold the treasures of mercy and kindness.
You have broken me away from the ties of temptation,
And the ties of Maya.
I bow to You.
I was full of questions.
Who will remove these ties of temptation
And this net of Maya?
The answer is You.
Only You, O Guru, could make this breakthrough.
I was so deeply enmeshed in these temptations,
And in this materialism.
Only someone of Your stature,
Of Your ability, Your dimension,
Could redeem me from the world of temptation and Maya.
Therefore I bow down to You, O Guru.

Verse 2:

O Guru, You are the ocean of Joy.
The three worlds are supported by You and Your knowledge.
O Guru, You are so luminous
That before Your glorious light
Even the moon and the sun fade.
In Your light I have been able to understand the Vedas,
The mysteries of the Divine.
I could not understand these mysteries
In the light of the sun
Or the light of the moon.
O Guru, I needed the brilliant light
Emanating from You
To see, and understand the Vedas.
Therefore I bow down to You, O Guru.

Verse 3:

O Guru, You are the Parabrahma
You are the over all, above all, Brahma,
The pervading Brahma.
Your holy name is always in my mouth.
Always I am speaking Your name
So that I shall never forget
That You are the Parabrahma.
Therefore
I bow down to You, O Guru.
I bow down to You, O Guru.
I bow down to You, O Guru.

VANDE MATARAM (poetic translation)

(from *ASHindi 63*)

Mother, I bow to thee!
 Rich with thy hurrying streams,
 Bright with orchard gleams,
 Cool with thy winds of delight,
 Dark fields waving Mother of might,
 Mother free.

Glory of moonlight dreams,
 Over thy branches and lordly streams,
 Clad in thy blossoming trees,
 Mother, giver of ease
 Laughing low and sweet!
 Mother I kiss thy Feet,
 Speaker sweet and low!
 Mother, to thee I bow.

Who hath said thou art weak in thy lands,
 When the sword flesh out
 in the seventy million hands
 And seventy million voices roar
 Thy dreadful name from shore to shore?
 With many strengths
 who art mighty and stored,
 To thee I call Mother and Lord!
 Though who savest, arise and save!
 To Her I cry who ever her foeman drove
 Back from plain and Sea
 And shook herself free.

Thou art wisdom, thou art law,
 Thou art heart, our soul, our breath
 Though art love divine, the awe
 In our hearts that conquers death.
 Thine the strength that nerves the arm,
 Thine the beauty, thine the charm.
 Every image made divine
 In our temples is but thine.

Thou art Durga, Lady and Queen,
 With Her hands that strike
 and Her swords of sheen,
 Thou art Lakshmi lotus-throned,
 And the Muse a hundred-toned,
 Pure and perfect without peer,
 Mother lend thine ear,
 Rich with thy hurrying streams,
 Bright with thy orchard gleams,
 Dark of hue O candid-fair

In Thy soul, with jewelled hair
 And Thy glorious smile divine,
 Loveliest of all earthly lands,
 Showering wealth from well-stored hands!
 Mother, mother mine!
 Mother sweet, I bow to thee,
 Mother great and free!
